## **2.0 PLAYING AREA (see Figures 2A - 2E)**

### **2.1 Playing Area**

- 2.1.1 The playing area shall be a swimming pool or part thereof.
- 2.1.2 The playing area shall be 12m-15m wide and 21m-25m long, provided that the minimum playing area is 300 square metres.
- 2.1.3 The pool bottom must be flat or gently sloping with a maximum gradient of 1 to 20.
- 2.1.4 The depth of the water shall be between 2m and 3.65m inclusive, with a  $\pm 10\%$  allowance with the approval of the World Tournament Director. Pools shallower than 2m must be considered "fast and safe" by the World Tournament Director.
- 2.1.5 The end lines must be of a solid nature, i.e. pool walls.
- 2.1.6 A sideline may be either a pool wall, sturdy barrier, or a demarcation line on the pool bottom.
- 2.1.6.1 The barrier should have a minimum height of 300mm.
- 2.1.6.2 A floating line will **not** be immediately above a demarcation line on the bottom to mark the sideline on the surface. The floating line must be outside the playing area.
- 2.1.6.3 The demarcation line belongs to the playing area.
- 2.1.6.4 For World Championships, sturdy barriers or walls are essential. For Zone for other tournaments, a sturdy barrier or wall is preferred. However, if not possible, a demarcation line is acceptable.
- 2.1.7 At each end of a playing area, centred on the mid-point of the end line, a penalty shot area will be marked by a dotted line on the pool bottom to define a semi-circle with a 6m radius, and a goal area will be marked by a solid line on the pool bottom to define a semi-circle with a 3m radius.
- 2.1.8 A Penalty Spot shall be marked in the middle of a 3m arc.
- 2.1.9 A Centre Spot shall be marked in the geometric centre of the playing area
- 2.1.10 The "corner" is defined as that part of the playing area bounded by the side and end walls (or side and end lines) and a circular arc of 1 metre radius whose centre is at the intersection (or projected intersection in the case of a curved corner) of the side and end walls (or side and end lines). There are four such 'corners' in a single playing area.

**FIGURE 2A** **PLAYING AREA DIMENSIONS**

The depth of the water shall be between 2m and 3.65m, with a  $\pm 10\%$  allowance with the approval of the World Tournament Director. Pools shallower than 2m must be considered “fast and safe” by the World Tournament Director.

## **4.0 Tournament Play Schedule and Ranking**

### **4.1 Championship Event Duration**

- 4.1 A World Championship event is limited to a maximum of 10 day
- 4.1.1 Two days of orientation
- 4.1.2 Eight days of tournament play.

### **4.2 Length of the Orientation Period**

- 4.2 Orientation Period for World Championship event
- 4.2.1 A minimum of 2 days is allowed for orientation
- 4.2.2 A maximum of 3 days is allowed for orientation
- 4.2.3 Participating federations may request pool time prior to the scheduled orientation days. Accommodation of such requests is at the discretion of the host federation, and costs for additional pool time are the responsibility of the requesting federations.

### **4.3 Eight Day or Fewer Tournament Schedule.**

- 4.3.1 General
- 4.3.1.1 Each team will play no more than three (3) matches per day.
- 4.3.1.2 Eight (8) playing days are allowed.
- 4.3.1.3 Five and one-half days (5.5 days) for play.
- 4.3.1.4 Two and one-half days (2.5 days) for play-offs.
- 4.3.2 Number of teams in tournament.
- 4.3.2.1 If twelve (12) or fewer teams participate in a division, a full round robin will be scheduled.
- 4.3.2.2 If thirteen (13) or more teams participate in a division, a split round robin will be played. Seeding of teams will be necessary.
- 4.3.3 Seeding.
- 4.3.3.1 Seeding will be based on final placing at the immediately previous Championship.
- 4.3.3.2 In divisions with thirteen to nineteen teams (13-19), play will be divided into two (2) Sections, A and B.
- 4.3.4 Section Play.
- 4.3.4.1 Section A will play a full round robin
- 4.3.4.2 Section B will play a full round robin.
- 4.3.4.3 Inter-Section play will be scheduled (a maximum of fifteen (15) total matches/team) to allow maximum mixing of the Sections in the round robin.
- 4.3.4.4 Matches will be scheduled to spread play as evenly as possible, but some teams may play one match less depending on the number of entries.
- 4.3.4.5 Inter-Section matches will be assigned by seeding from the section round robin stage.
- 4.3.5 Points to determine play-off status and ranking.
- 4.3.5.1 Points awarded as follows:

#### **Intra-Section Match Points**

|         |           |
|---------|-----------|
| Win     | +2 points |
| Tie     | +1 point  |
| Loss    | 0 points  |
| Forfeit | -2 points |

4.1.6 Sectional Play offs.

4.1.6.1 The top four (4) Section B teams will play the bottom four (4) Section A teams.

4.1.6.2 The 5<sup>th</sup> Seed from Section A plays the 4<sup>th</sup> seed from Section B; the winning team becomes the 5<sup>th</sup> Seed in the Championship bracket, and the losing team becomes the 4<sup>th</sup> Seed in the consolation bracket.

4.1.6.3 The 6<sup>th</sup> Seed from Section A plays the 3<sup>th</sup> seed from Section B; the winning team becomes the 6<sup>th</sup> Seed in the Championship bracket, and the losing team becomes the 3<sup>th</sup> Seed in the consolation bracket.

4.1.6.4 The 7<sup>th</sup> Seed from Section A plays the 2<sup>th</sup> seed from Section B; the winning team becomes the 5<sup>th</sup> Seed in the Championship bracket, and the losing team becomes the 2<sup>th</sup> Seed in the consolation bracket.

4.1.6.5 The 8<sup>th</sup> Seed from Section A plays the 1<sup>st</sup> seed from Section B; the winning team becomes the 7<sup>th</sup> Seed in the Championship bracket, and the losing team becomes the 1st Seed in the consolation bracket.

4.3.6 Championship Play.

4.3.6.1 The Championship bracket consists of the top four Sectional Play-off winners plus the top four Section A teams.

4.3.6.2 The Championship bracket will play a “Multilevel Tournament with Eight Entries” play-off with complete losers bracket determining all places (see Figure 4A).

4.3.6.3 There will be a consolation bracket for all remaining teams, so all participating teams are seeded for the following World Championships.

4.3.7 Breaking a tie in ranking

4.3.7.1 If two teams are tied in ranking, the tie breaking procedure is as follows:

4.3.7.1.1 Head to head competition

4.3.7.1.2 Most number of wins in the intra-section matches. Team with the most wins is ranked higher.

4.3.7.1.3 Least number of losses. Team with the least losses is ranked higher.

4.3.7.1.4 Least sum of points allowed in all matches in the intra-section matches. Team allowing the least number of goals is ranked higher.

4.3.7.1.5 Coin toss

4.3.7.2 In the event of three or more equally ranked teams without a clear ranking by head to head competition, use procedures 4.1.8.2 through 4.1.8.4 inclusively to eliminate teams three through the last tied team. When two teams remain, go through steps 1 through 5 again to rank the remaining 2 teams.

**4.2 — Nine Day or more Schedule**

World championships have historically been held over a two week period. Through 2002 (Calgary, Canada) the tournament itself was restricted to the last eight days of that period. The time interval before those 8 days was used for “Championship Orientation” by Federations to become adjusted to time zone changes and pool bottom conditions. At the Underwater Hockey Commission Meeting in Calgary (2002) attended by CMAS Secretary General Pierre Dernier of tree days in order to allow for more than eight tournament days to allow additional teams in divisions or new Federations to participate in the two week festivals.

**4.3 Length of Orientation Period**

4.3.1 A minimum of 3 days will be allowed for Championship orientation.

**Match L determines the World Champion and second place.**

**Match I determines third and fourth place.**

**Match K determines fifth and sixth place.**

**Match J determines seventh and eighth place.**

## **5.0 Protests, Appeals, and Match Abandonment**

### **5.1 Protest During a Match**

- 5.1.1 Should a protest be made by a Team Captain or a Team Manager about the conduct of a match whilst it is in play, the Chief Referee shall stop play, consult the Water Referees and others as may be necessary, consider the factual evidence presented, announce a decision to all parties, and resume play.
- 5.1.2 If a player receives a penalty, only the Team Captain can protest to the Water Referee. This will not constitute “refusing to accept any decisions made by the Officials”; thus, it does not merit the award another penalty for breaking Rule 17.3.16. If after receiving an explanation, the player refuses to go to the penalty box, such action may constitute “refusing to accept decisions made by Officials”. The player will go immediately to the penalty area, and let the Team Captain protest the matter to the Chief Referee. After consultation, and the Chief Referee’s announcement of a decision, the team captain will no longer protest the issue, so that the match can be resumed. An appeal can be made following the match if necessary.

### **5.2 Appeal After a Match**

~~(The following procedure is mandated by CMAS)~~

- 5.2.1 Only the team Captain or Chief Coach may put forward a claim.
- 5.2.2 The claim must be announced to the Tournament Director within 15 minutes of the end of the match. The written complaint in English, French, or Spanish, must be submitted to the Tournament Director within an hour of the end of the contested match.
- 5.2.3 The written claim must be accompanied by a deposit of EUR 100 or equivalent in cash.
- 5.2.4 If the above mentioned requirements are not fulfilled, the claim will not be accepted.
- 5.2.5 The sum of EUR 100 will be refunded if the claim is considered valid.
- 5.2.6 **A jury is chaired by the ~~Commission President~~ Tournament Referee. Other members include:**
- 5.2.6.1 **Two International Referees chosen among the Referees from the Tournament. The Commission chooses these jurists prior to the first game of the tournament**
- 5.2.6.2 **Two substitute International Referees, also chosen by the Commission.**
- 5.2.6.3 **Tournament Director for the provision of tournament options**
- 5.2.7 ~~The CMAS Delegate will be the Secretary of the session without the right to vote~~ **A meeting secretary will be appointed for the session. The position is administrative/non-voting.**
- 5.2.8 All members of the Jury, including the substitutes, must be of differing nationalities.
- 5.2.9 Members must attend the entire Tournament.
- 5.2.10 If any member of the Jury is of the same nationality as the teams involved in the claim, one of the substitutes is chosen (except in the case of the Tournament Director who must be on the Jury).
- 5.2.11 The Jury may listen to all the people it deems helpful to reach a decision.
- 5.2.12 The decision shall be made by a majority using a hand vote. In the event of a tie, the vote of the President will be final.
- 5.2.13 The decision of the Jury is final.
- 5.2.14 The decision of the Jury must be given immediately in writing to the complainant and others involved.
- 5.2.15 The members of the Jury must comply with the secrecy of the deliberations.

### **5.3 Match Abandonment**

- 5.3.1 In the event of a match having to be abandoned, the Tournament Director shall decide what subsequent action shall be taken.
- 5.3.2 The Tournament Director’s decision is final.

**6.0 Ruling Body**

- 6.1 The Ruling Body for all International Underwater Hockey matches shall be the CMAS Underwater Hockey Commission.
- 6.2 Any inquires concerning the rules by which international matches are played should be addressed to the current World Rules Director of the CMAS Underwater Hockey Commission.

**7. AMENDMENT OF RULES**

- 7.1 Opportunity to propose, discuss and approve rule amendments is provided whenever several Federations participate in CMAS World Underwater Hockey Championships during which meetings of the CMAS Underwater Hockey Commission are convened.
- 7.2 Amendments to the rules may be proposed by any Federation at any time between World Championships. The Federation will forward in writing their proposed amendment(s) together with reasons justifying the rule change to the Rules Director for distribution to all participating Federations in good standing with CMAS. A ballot will be included on which Federations will record their vote, their reasons for accepting/rejecting the proposed rule change, and the signature of the person authorized to cast the vote. Whenever votes are taken between World Championships, they will be conducted by double registered mail.
  - 7.2.1 Any Federation requesting a postal vote must submit EUR 200 with the proposal to support postal costs.
  - 7.2.2 Votes will be returned to the Rules Director. A simple majority of fifty per cent of the returned votes plus 1 is required for a rule amendment to be approved. The Rules Director will announce the results of a vote within two weeks after the deadline to receive ballots.
  - 7.2.3 In order to be in force for a World Invitational Tournament or a World Championship, approved rule amendments must be distributed to all Federations by double registered mail (where applicable) at least six (6) months in advance of a world event.
  - 7.2.4 Rule change(s) approved unanimously by the College of Referees meeting prior to a World Championship, which are approved by the World Tournament Director, will be immediately implemented; the World Tournament Director will consult and inform participating team captains two days prior to the commencing of the tournament.
- 7.3 Rule changes - Agreed Procedure:

|                     |   |                            |   |                     |
